## Those who don't know us, ask the question: WHY DO YOU REFER TO YOUR COMPANY AS "THE ONLY TRUE WHOLESALE"?

Here are some of the answers that are given by typical Sweeny loyal customers:

- "Because you always get the true information",
- "Because the people at Sweeny's know their stuff!",
- "They always do the research on anything I ask them for!",
- "They never say I do not know, they say, I will find out for you!, and they always do!",
- "If something exists, they will get it for you!",
- "They make me feel that they are working for me!",
- "They are not afraid to tell me if I am doing something wrong!",
- "They are always trying to look out for my interest!",
- "They keep me informed!", "They make my job easier,"
- "They keep neat and clean stores!", "They are so friendly!",
- "They make me feel like one of their own!",
- "They have the best customer service!",
- "They make sure that they are communicating with me!",
- "They are truly different from any other place!",
- "They find the time to know me!",
- "They are what a wholesaler used to be!",
- "They are the true wholesaler!".
