RECAP OF DECEMBER 2003

Furnace/Ductwork Class

The Hot Air Furnace and Ductwork class was a HUGE success. Thank you to all who attended!! From the real live hands-on furnace demonstration to the slide show, everyone seemed to learn a lot and enjoy themselves. Even the most experienced technician got something out of the class. Angelos did a wonderful job teaching, and thank you to Sam Musser for helping with the hands-on furnace demonstration and being there for questions. The next class is going to be on Heat Pumps and Air Conditioning. It's going to be on Friday, March 26, 2004. See the last page of this newsletter for the details and the registration form!! Space is limited so sign up early!

Calendar Day

Calendar day had a wonderful turnout also! Good snacks were available and lots of pictures were taken. Stephanie had a blast meeting all of you. Hope you're all enjoying the Sweeny and Super Sweeny calendars. And you can count on there being another Sweeny calendar day for 2005! See you there!

RECAP OF JANUARY 2004

Boiler Day

On January 21, 2004 Sweeny's in Landover held Boiler Day to introduce a shiny brand new line of boilers. The representative from Williams/Thermoflo joined in to explain all he could about the boilers and to answer all of your questions. Along with being informative, there was amazing chili offered to everyone who came by to visit that day. We could barely keep up with the demand of the chili!! To top it off, everyone with a winter birthday got a special gift in honor of their birthdays! Boiler day had a wonderful turnout and we all look forward to doing it again soon!

WHAT ARE YOU WAITING FOR?!

Check out our newest addition to the company!

The class you've been asking for!!

TO: All H.M. Sweeny Co. Customers
FROM: The H.M. Sweeny Educational Department
SUBJECT: Heat Pumps and Air Conditioning Made Easy

Dear Customers:

There are many opportunities in life that could make a difference to us, to our customers, and to their employees. Unfortunately, many of these opportunities pass us by unnoticed. We at Sweeny's want to make sure that you and your company do not miss this opportunity that is going to be provided on Friday, March 26, 2004. The H.M. Sweeny Company has made arrangements to sponsor a class which will provide you with an indepth course on heat pumps and air conditioning.

This course teaches the new AND experienced service technicians about heat pumps and air conditioning. From its design and operation, the course explores the HOWS and the WHYS of heat pumps and air conditioning. Designed for service personnel, this is both a theory and hands-on approach to heat pumps, air conditioning, and troubleshooting.

The class will be held at the **Best Western Hotel Capital Beltway**, 5910 Princess Garden Parkway, Lanham, MD 20706. The class will be held from 8:00am to 4pm. If you need directions, call the hotel at (301) 459-1000.

The fee is \$55 per person. Payment may be made in cash, with VISA, Mastercard, or American Express or by Purchase Order if you have a house account. **Payment must be submitted upon registration. Registration will end on Monday, March 15 and no refunds will be given for cancellations after Friday, March 19.**

Due to the tremendous interest in this class, we will be accepting registrations on a first-come, first served basis, so **sign up early!!** Please register early since the class will be limited in size. Return the registration form, by mail or by fax (address and fax number found below with registration form). We are all looking forward to seeing you there!!

For more information call: (301) 322-9100

Mail this registration form to: H.M. Sweeny Co., Education Department
8373 Ardwick-Ardmore Road, Landover, MD 20785

Or fax it to: (301) 322-1562

Please print or type all names.
