We would like to thank Martin's Crosswinds for the excellent care and service that they provided to our Loyal Sweeny Customers that attended this great event! Thank you also to the Sweeny staff for their efforts in this very fine evening, and more especially our loyal customers that came to celebrate this day of "Thanks" with us!

We are also happy to announce our partnership with Fedders Corporation, and would like to thank them for the informative presentation that they provided to our customers after dinner. We are looking forward to our customers' rewarding and profitable relationship with two of the most experienced and long-established organizations -
