**Upcoming
Classes**

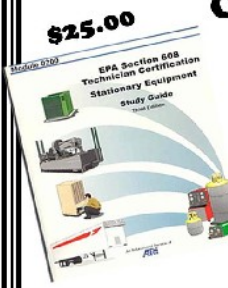

Scotsman Ice Machine:
Rockville will be hosting a one-day ice machine class provided by Scotsman. This class will focus on ice machine troubleshooting and maintenance. The cost is \$10 and will be refunded at the end of class as a Sweeny giftcard. Date is January TBA. Please call or email Sam in Rockville for details - (301) 468-0800 or Sam@hmsweeny.com. You can also call or stop by any Sweeny location to register.

Gas Furnace Class:
Each Sweeny location will be hosting a special one-day class focused on gas furnace installation, service, troubleshooting and maintenance. Dates are TBA. Call us for more information or stop by your local Sweeny's to register.

Heat Pump Class:
Each Sweeny location will be offering a one-day refresher course on heat pump installation, service, troubleshooting, and maintenance. Dates are TBA. Call us for more information or stop by your local Sweeny's to register.

Journeyman/Master:
Sweeny's will be offering another Journeyman and Master prep class this upcoming Spring. Dates are TBA. Seats are limited and will sell out quickly. A minimum \$20 deposit is required to hold a seat in advance. The remaining balance must be paid by the first day of class. Call us for more information or stop by your local Sweeny's to register.

Be sure to check our facebook and website daily for updates about upcoming classes.

**EPA SECTION 608
CERTIFICATION TESTING**

Need to get your EPA certification? Want to upgrade to universal? Know someone starting out in the field? Stop by your local Sweeny's today and pick up the EPA Section 608 test study guide. When you're ready to take the test, just call us! We'll schedule an appointment when it is convenient for you! For more information, please contact Gayle at (301) 322-9100 x19 or Gayle@hmsweeny.com.

H.M. Sweeny Co. November 10, 2012

The H.M. Sweeny Company hosted its annual company meeting on November 10th, 2012. During the meeting, the company discussed the past sales year and ideas for the upcoming year. We are happy to announce that with the help from you, our friends, and our loyal customers, we have had another successful sales year! We would like to personally thank everyone for contributing to this success. Thank you!

We also are excited to announce upcoming classes, events, and sales for everyone to take advantage of! Please read this newsletter for more details or stop by your local Sweeny's today!

H.M. Sweeny Co.

We are proud to partner with the

**Thermostat Recycling
CORPORATION**

an industry-funded non-profit

Because we care about the environment and want to do as much as we can to preserve it, the H.M. Sweeny Company proudly participates in the Thermostat Recycling Corporation's Mercury Thermostat Recycling Program.

You can drop off any unwanted mercury containing thermostats you collect with us and we'll ship them back to TRC for proper disposal. It may seem like a small thing but in reality it's not. Since their founding, TRC has recycled over 1 million thermostats and has kept more than 4.9 tons of mercury out of the waste stream.

Call our office for details on how you can start recycling: 301 322 9100.

Welcome Amos Kim & Irvin Blanco!

The H.M. Sweeny Company is pleased to announce two new awesome employees!

Irvin will be helping Sam with sales at the Rockville store, and Amos will stay here in Landover as our new bookkeeper!

Amos Kim
Bookkeeper

We are excited to add these smart, fresh faces to our outstanding team.

Irvin Blanco

WL102	2.00"

HOT 4-IN-1 HEATING OIL TREATMENT

LET YOUR OIL TANK BE PROBLEM FREE! DON'T FORGET TO GRAB A BOTTLE OF HOT 4-IN-1 HEATING OIL TREATMENT THIS WINTER!

Why is HOT 4-in-1 the best?

- + Disperses water and controls waxing and gelling
- + Improves combustion for more BTU's
- + Provides for cleaner burning, less smoke and a cleaner flame
- + Removes varnishes from pumps and filters
- + Prevents corrosion in the entire fuel system
- + Cleans burner tips
- + Helps stabilize fuel
- + Prevents sludge
- + Can be used in Bioheating oil

Honeywell

WE'RE STOCKED UP!

Sweeney's has all the Honeywell heating parts you need this winter!

Thermocouples, gas valves, pilot burners, flame sensors, fan limits, ignitors, ignition modules, thermostats, aquastats, fan timers, and more!
